

"Last year was the first year that my wife, Kelly, and I attended the ILS Spring Fling. We enjoyed the evening so much and value the importance of raising much needed funds for the school that I decided to help co-chair this year's event."

What is Spring Fling?

Spring Fling is a dinner auction hosted by Immanuel Lutheran School. It is a time for fun and fellowship for everyone, as well as a nice evening out. There are three types of auctions to insure that there is something for everyone: an exciting live auction, a silent auction that includes *one of a kind art projects* from each class among many other items, and a no-bid raffle auction with many fantastic prizes.

Why Spring Fling?

Spring Fling benefits all ILS families by continuing quality, affordable Christian education. The money raised is put directly back into the school. Spring Fling was originally created by a few parents 16 years ago to help keep tuition cost down. It was so successful that it was added into the ILS budget as an income source and is still included as a budget item today.

"I was one of the founders of the ILS Spring Fling. When Mr. Geidel contacted me last month regarding this year's Spring Fling, I was happy to get involved once again. The education and foundation that our boys received at ILS was outstanding and we continue to recommend the school to everyone."
