A Red Carpet Affair

A Red Carpet Affair

What is Spring Fling?

Spring Fling is an incredibly fun event hosted by ILS each year. It is a time for fun and fellowship, as well as a nice evening out. There are three types of auctions to ensure that there is something for everyone. An exciting live auction, a silent auction that includes themed baskets from each class among many other sensational items and a no-bid raffle auction that will include many fantastic prizes. There will also be a heavy hor' dourves catered by River Hills Country club, a cash bar, and a bottle grab.

Why Spring Fling?

Spring Fling benefits all ILS families by continuing quality, affordable Christian education. The money that is raised is put directly back into the school. Spring Fling was originally created by a few parents 21 years ago to help keep tuition cost down. It was so successful that it was added into the ILS budget as an income source and it is still included as a budget item today.
